Transformation in America

by Dawn Beard

Over forty years ago, America experienced a major counter-cultural movement that literally changed the very fabric of this nation. During the 1960-70s, prayer and Bible reading were removed from schools, abortion and pornography were legalized, the gay movement began, a sexual revolution erupted, and a culture of drugs and rock-n-roll emerged. One generation changed the course of an entire nation, affecting every sector of society today.

Forty years later, God is calling forth a new generation to bring about a different counter-cultural revolution in America. A revolution of righteousness, holiness, truth, and humility. A revolution born out of a desperate cry to see America turn back to God and His ways. A revolution that will bring transformation. A revolution that is all about Jesus.

2 Chronicles 7:14 states "If My people, who are called by My name, will humble themselves and pray and seek my face, and turn from their wicked ways, then I will hear from heaven, forgive their sins, and heal their land."

Here we find God's equation for transformation:

Humility + Hunger + Holiness = I Will Hear + Forgive + Heal the Land

God is awakening His church to the importance of standing in the gap for a nation. United prayer gatherings are happening on every level, from local to national. The call to live a consecrated life, embracing a lifestyle of prayer and fasting, has rung out across the land. God is calling for nazirites to rise up for such a time as this.

A nazirite pursues three things - Humility before God, Hunger for God, and Holiness of God. Nazirites cannot solely be called; they must be raised up.

"As we see an extremely powerful generation emerging with an extraordinary calling, we also need an extraordinary and extremely powerful training: a training for a Nazirite Lifestyle! If we do not, we might see this generation end up like Samson, losing purpose and anointing all together. We need to see them rise up like Elijah, confronting the prevailing and ruling influences of his time! The Nazirite Training will purposely bring out the Elijah anointing and prevent the Samson syndrome." (Pastor Jerome Ocampo)

Jesus Revolution Now has received a clear mandate to intentionally raise nazirites in every sector of society. It is time to see the Elijah Generation mature and be released! This training is not just for those in the ministry, but also those in business/marketplace, media, government, the arts, and every person seeking to make a difference in their generation. Therefore, we will be offering Nazirite Trainings this October in both New Jersey and Los Angeles, California (please see our website for more information).

It is the responsibility of the church to put this equation into action. We are the ones who must humble ourselves, cultivate a hunger for God, and pursue personal holiness. Then and only then, will we see our nation turn back to God. Change lies in the hands of the church obeying the word of God, not in the power of government, education, media, nor any other human institution. It is time for a Jesus Revolution Now!

Unite to Ignite in Los Angeles

by Pauline Guiuan

About 200 people gathered to worship, pray and contend for the city of Los Angeles on the evening of June 5, receiving a challenge from Pastor Jerome Ocampo to continually live Nazirite lifestyles in the midst of a sinful world.

Organized under the leadership of Dawn Beard, West Coast Director of Jesus Revolution USA, and the core team in Los Angeles, the JRev night was titled "Why America Needs Nazirites" and served as a call to unity and prayer among believers in L.A. The gathering was held at the Word International Ministries Los Angeles (WIN-LA) worship center on Rampart St. in downtown L.A.

"It was an opportunity for Pastor Jerome to share why America needs Nazirites, and how the Nazirite training is an integral part of seeing nations transformed," said Beard.

Members of different churches and organizations – from both the older and the younger generation - representing Word International Ministries, Assemblies of God, Four-square, Teen Challenge and non-denominational groups

came together, kicking off the evening with an intense time of praise and worship led by the JRev LA worship team. Most of the songs spoke about crying out to God for revival and declaring His power over the city. The flags team from Cornerstone Celebration Center International church added intensity to worship through their colorful flags and movements.

Pastor Jerome's talk began with brief updates on how the Jesus Revolution Now Movement is continuing its ministry in the Philippines and other parts of the world and with reminders of social issues (such as the economic recession and the moral battle over gay marriage) that Christians need to lift up in prayer, but was centered mostly on the Nazirite lifestyle. He reminded the congregation of the importance of being set apart and consecrated for God, especially living in such morally corrupt times.

"We need to show God how desperate we are for his mighty hand," said Angelica Pons, member of the Pyros youth group of WIN-LA. "It is important for us to pray for our cities because the Bible makes it clear that in order for God to heal our land, we need to humble ourselves, turn from our sin, seek and pray."

"Each time Israel strayed from God, a remnant would humble themselves with prayer and fasting," she added. "As a result of their repentance and hunger for God to come, they would see God respond time and time again, by delivering them from their enemies and restoring their nation. This principle is as true today as it was then. Now is the time to put this principle into action on behalf of our cities and nation."

The evening commenced in a time of solemn worship and prayer, with both young and old attendees challenged to continue living consecrated lifestyles and developing a stronger passion for their city and their country.

Nazirite Training on the move in the East coast!

by Pastor Chyril Nicose

We had our very first training last May 28-30, 2009 at Liebenzell Retreat Ministries, Schooley's Mountain, New Jersey and it was a great success. Twenty nine (29) delegates from different churches attended the Phase I: HUMILITY, the churches are the following; River of Praise Tabernacle, Bayonne, NJ; Jesus Ministries, Nutley, NJ; Shalom Outreach Ministries, Union, NJ; Day by Day Church, Jersey City, NJ; River of Life Church, Silver Spring, Maryland; Agape Fellowship (Chinese delegates) and Seven (7) Philippine Delegates together with Pastor Jerome Ocampo.

The message of Humility was so profound that after the training all the attendees wanted more. Pastor Chyril Nicose, the Jrev East coast Coordinator gave a challenge to bring back Pastor Jerome, and that leads to the next scheduled Nazirite Training on October 2009.
